

Our employees are included in the RAU dis.council

Three our employees (Firsov D.A., Shalygin V.A. and Vinnichenko M.Ya.) entered the dissertation council opened at RAU in the specialty "Semiconductor Physics".

Pre-defenses of dissertations will start at the Russian-Armenian University in the near future, and within 3 months the first defense of a dissertation for the degree of candidate of physical and mathematical sciences will take place.
